DUDINCE HEALTH SPA RESORT RUBIN- SLOVAKIA

We invite you to this all inclusive vacation escorted by Marta Glass from Custom Vacations. The package includes amazing Natural Spa Treatments.

This unique spa resort offers the world's top healing thermal springs rich in minerals.

Prevent • Regenerate • Rejuvenate • Relax

UP TO 5 SPA TREATMENTS DAILY

We believe your stay in the spa is an opportunity for us to do the best for our customers so that you will leave Dudince achieving a healthy, balanced and happy life.

Why it is a good idea to visit the Dudince Spa?

The biggest treasure of Dudince is the healing mineral water, with its unique composition of the high content of hydrogen sulphide, carbon dioxide, and other mineral ingredients.

This mineral water is excellent in the treatment of the loco-motor system and cardiovascular system and many different kinds of illnesses. The Dudince mineral water composition can ONLY be found at spa in Dudince, France and Japan.

The Spa and its healing waters are exceptionally beneficial for improving health conditions when the stress of work and environment have caused injuries, some examples are; police force, firefighters, hockey players, PTSD persons, seniors recondition, common surgery complications and discomfort. And has absolutely successfully treated so-called civilization managerial diseases due to stress.

Please join us to discover the water that heals at the Dudince Health Spa Resort Rubin.
